

ABOUT OUR SCHOOL

Esaki Vidyaashram CBSE School is one of the top educational institutions in Tenkasi, located in a pollution-free environment at the footsteps of Pothigai Hills. With a sprawling campus of 5.5 acres, our school has numerous amenities and state-of-the art technologies to promote active learning and skill developments.

Our management strives to provide personalized education by understanding each student's strengths and weaknesses. With a well-experienced, competent and highly-qualified faculties, we impart best-in-class education combined with human values and life skills.

Esaki Vidyaashram was started by Dr. Esaki Pandian, who envisions to nurture the unique talents of students of this region and make them virtuous young citizens of the country. Embracing a diverse culture and having students from different backgrounds, our school fosters community caring and holistic approach to education.
